YEAR ONE ROOM 3 ASSEMBLY

Yesterday’s School Assembly was magnificently presented by our Year One, Room 3 students. We learnt about Gerald the Giraffe, who at first wasn’t a good dancer, but took the Value of Responsibility very seriously, so he practiced and practiced, and became the best dancer of all.

MRS MARLENE TANA

Osborne Primary has been fortunate to have Mrs Marlene Tana as Registrar for the last 30 years. She commenced Long Service Leave yesterday and will retire at the end of the year. Marlene commenced with us in June 1985 and has seen many students, parents and staff members pass through the school in that time, including seeing many children of ex students enroll at Osborne. Marlene and her husband, Joe, have plenty of plans including some immediate travel, and then lots of golf and more travel!

From everyone at Osborne Primary, present and past, we say a very big thank you.

TERM 4 EXPENSES

We would like to give you plenty of warning that in Term 4 this year there will be 2 big expenses.

- Swimming Lessons  Year 1 to 6  $45.00
- Edudance                PP to 6        $15.00

Edudance is heavily subsidised by the school and the P&C. These costs are the same as normal, however do not normally occur in the same Term.

If you wish to commence paying these costs in instalments of $10 you are most welcome. Please choose from one of the following payment options:

- Send money through class teacher marked with the item the money is to be allocated to.
- Payment by Electronic Funds Transfer (EFT) to Osborne Primary School
  Commonwealth Bank Osborne Park
  BSB 066-140
  Account: 0090 0024
  Reference: Please use student’s full name and class for example John Smith Rm1
- Pay the amount in full by either method now or when you receive the relevant note home from school
**RUNNING CLUB**

Once again, it was fantastic to see so many people participating in running club. The overall aim of running club is to improve fitness levels in a fun and friendly environment. Students who participate also earn points for their faction. A special mention to Caesar, Ismail, Ilana, Lola and Charmaine who were the winners of the 'Spot' prizes for the past fortnight. See you all at 8.15am next Thursday on the school oval.

Allison McAuliffe  
*Physical Education Teacher*

**LUNCHES ONLINE**

[ouronlinecanteen.com.au](http://ouronlinecanteen.com.au) is back. You can order lunches on Fridays. Be sure to get in early as the cut-off time for orders is 9am.

**BREAKFAST CLUB—EVERYONE IS WELCOME**

Every Friday (excluding the first and last week of each term) we have an amazing team of volunteers from Victory Life who come in to serve breakfast to a hungry horde of kids. Brooke, Maddy and Blessen, along with staff volunteers, open the doors at 8am and keep serving food and drinks until **8.30am**, at which time we stop letting people in the door... so **don’t be late** or there will be no smiley-faced pancakes left!

**WOOLWORTHS ‘EARN AND LEARN’ PROMOTION**

We are excited to be taking part in the Woolworths Earn & Learn program. You can help our school by collecting Woolworths Earn & Learn stickers. All you have to do to collect stickers is shop at Woolworths supermarkets between Monday 15 July and Tuesday 8 September 2015. We will redeem these for awesome educational resources for our school. Simply pop your stickers onto a Woolworths Earn & Learn Points Sheet and once it’s completed, drop it into the Collection Box in the School office. Collection sheets can be downloaded online at [woolworths.com.au/earnandlearn](http://woolworths.com.au/earnandlearn) or collected from the office. The more stickers we collect, the more resources we can claim. There are thousands of products available through the Woolworths Earn & Learn program, and we’d like to get lots of new gear! Products in the range include resources for mathematics, English, science, art & crafts, through to sports gear, library supplies and more. We are grateful for your support and look forward to a very successful program. If you have any questions, please ask at school.

Year 4: Grace Yapp and Ismail Yousaf  
Year 5/6: Mia Seaman and Eve Victoria

**Values Award**  
Pre Primary: Anisha Octian  
PP/Year 1: Hebun Ozdemmir  
Year 1: Brock Apostoles  
Year 2: Lachy Davies  
Year 3: Krisha Patel  
Year 4: Amber Nguyen  
Year 5/6: Sue Kaeoin
KINDY CLASS REPORT
The Kindy kids have been flying high this week making hot air balloons and learning how to blow up balloons. It was great fun taking in lots of air from deep in our bellies and trying to make the balloon inflate. We sent home the balloon so we could practice more at home. We have been practicing classifying vehicles & making car graphs as well over the last 2 weeks. Our snow peas have finished harvesting & our tomatoes are starting to ripen to a beautiful red! Can’t wait to eat them!!

PP/YEAR 1 CLASS REPORT
The Pre Primary and Year One class have been working so hard this week, building our ‘compost cake’ and planting our veggie garden! We are so proud of their efforts and their hard work. We want to thank Mrs Taggart for all of her extra effort with our veggie garden, and we would like to thank our awesome gardener Peg, for coming to our school and teaching us how to make our compost cake and plant our veggies.
The Australian Early Development Census has now been completed for all pre primary students. If any parents would like further information on the census, please come and have a chat with us.

PRE-PRIMARY 2 CLASS REPORT
The Australian Early Development Census has now been completed for all pre primary students. If any parents would like further information on the census, please come and have a chat with us.

YEAR 1 CLASS REPORT
Wasn’t it a great Assembly put on by the Year One’s? Every child in the class learned a dance and performed to the whole school. This took a lot of persistence and practice. The children are to be commended for their effort and delivery.
The class has been practising for the sports Carnival in 3 weeks time. Interested girls who wanted to try out for the Australian Girls Choir had their audition. Parents will be notified if any have been successful. There has been a lot of reading and writing about Gerald the Giraffe book the class has been studying.
In mathematics we are learning about number work from 1 to 100. Also writing numbers in English and matching with corresponding numerals.

YEAR 2 CLASS REPORT
We have welcomed another student into our class, Sobhan. All children are busy practising for the Athletics carnival on Thursday 3rd September, especially the Tabloid Games that we do at morning fitness. It is really important that children arrive at school on time for this practice! I am really pleased that so many students from room 2 have a go at the Math Quiz. They are doing really well! On Thursdays we write a story from a picture prompt. Last week it was the exciting entrance to the National History Museum, London. Come in to have a look at the finished stories hanging up in the classroom.

YEAR 3 CLASS REPORT
The Year Three students said goodbye to Yashas last week who left to go to his new school in Melbourne. We welcomed back Aan from her holiday in Europe. We have been looking at different styles of poetry over the past few weeks and have even started writing our own poems which has been very interesting. In mathematics we have been looking at 3 dimensional shapes and their attributes as well as identifying differences between prisms and pyramids. We have also been working very hard to improve the automatic recall of our times tables.
On Tuesday some of the girls in our class were lucky enough to audition for the Australian Girls Choir. We wish them good luck and hope they do well.

YEAR 4 CLASS REPORT
The Year 4’s have been working on units of measure in maths to compare length, mass and temperature. We are also trying to make connections between decimals and measurement. We watched some interesting videos about sharks to help us write an Exposition about culling sharks close to the shore. We need to include emotive language and facts to support our arguments, so this was important for our writing. In Science we are looking at seed germination, pollination and how seeds reproduce. We have nearly completed our slide show about 2 continents, South America and Africa for Geography.
The year 5/6 class has been busy in Maths working on fractions, finding coordinates and learning how to read maps. We are very interested to see what happens to our Science experiment on mould. We are learning lots of interesting facts about micro-organisms. In Literacy we are polishing up our skills on comparing information in different texts or within the same text. We are also having a great time discussing lots of global issues.

By Sabrina (yr6) and Alisha (yr6)

MATH QUIZ

Congratulations to the winners!

3 Correct: Tasman & Purva (Rm 1), Jenny (Rm 2)
4 Correct: Sofia (Rm 1)
5 Correct: Lilli ((1/PP), Arya (Rm 2), Wesley (Rm 4), Keanu, Penny, Josie (Rm 5)
6 or more Correct: Layan (Rm 2), Prachi, Zainab, Chloe, Grace, Malisha (Rm 4), Joshua, Caesar, Sabrina, Dev, Annrose (Rm 5)

Answers:

Just a reminder to put your quiz in the Library box on time. I will mark them if they arrive late, but I cannot give any prizes.

Mrs Lane
COMMUNITY NEWS

SCHOOL BANKING: Piggy is back and he has heard that there have been some children who have been doing very well with opening a Bendigo Bank Account and saving money. Piggy is coming for a special visit on Wednesday 26th August 2015 at assembly to say hello and give out some prizes. School Banking is an excellent way to start teaching Children the value of money, smart savings habits and life-long money skills by simply bringing in their money each week, as little as .05¢. School Banking is more about making frequent deposits. Parents are invited to attend Osborne Primary School fortnightly on Wednesday where, at assembly, Bendigo Bank Osborne Park Employees will be available to take ID (identification) You will need to bring in all of the following:

1. Your Child/s original Birth Certificate or Passport.
2. Medicare Card with Child/s name.
3. Parents current Drivers Licence or Passport.

If you have any questions please feel free to ask the Staff at Bendigo Bank on the day or call into the Branch at Unit 9, 7 – 11 Hutton Street Osborne Park or phone on 9201 9844.

1-2-3 Magic and Emotion Coaching Parent Course.
To help manage difficult behaviour in children 2 to 12yrs.
All 7 to 9.30pm.
**WEMBLEY $180pp or $340 per couple**
Tue 18th, 25th Aug & 1st Sept (2 to 12 yrs)
Wed 9th, 16th, 23rd Sept (2 to 5 yrs).

The following are available as ‘In House’ courses.
**Parenting Information Session (Including 10 take home tips)**
This 2 hr. seminar is designed to improve your knowledge and confidence as a parent.
**Bullying – Don’t Just Stand There**
**Protective Behaviours.**
**Engaging Adolescents (11 to 16yo)**
Private Consultations Available.
To enquire/register call 9382 1182 or go to [www.behaviourtonics.com.au](http://www.behaviourtonics.com.au)

SPEAK UP AWARDS

A big CONGRATULATIONS to Penny Ornaket, Sabrina Fazli and Ann Rose Mathew who represented Osborne Primary School at the 2015 Speak Up Awards on Monday. All three speakers were very impressive and spoke on worldly issues such as homelessness, the death penalty and vaccinations. We are very proud of their efforts. Well done girls!!!
The Pre Primary and Year One veggie patch is planted and starting to grow! We want to send a big thank you Mrs Taggart and also to Peg the gardener, for all their hard work in organising the resources for our patch! We are loving our gardening club during lunch times as well! :)}
