Faction Athletics Carnival
What wonderful weather we had last Thursday for our Faction Athletics Carnival and what a great day it was. Everyone is to be congratulated for their enthusiasm and sportsmanship, and for helping to create such positive energy. It was great to see so many parents and families come along to cheer our competitors on. Your support makes the event very special.
Thank you to the P&C for organising the Sausage Sizzle and Cake Stall and thank you to those parents who provided cakes for sale. Local businesses Storage King and IGA Osborne Park donated goods also. We are very grateful for their support.
Mrs McAuliffe was responsible for organising the day and as always she did a wonderful job. Everything was taken care of, so our students could enjoy a fun day. Thank you to all staff members who worked hard throughout the day from 7.30am. You all made a splendid contribution to the success of our carnival.

This year, Sunhawks were the Faction Athletics Carnival winners.

Firewolves: 937 points
Sunhawks: 962 points

School Choir
Last Saturday night, our wonderful school choir performed in the 2016 Government Schools Massed Choir Festival. They travelled to Winthrop Hall, a truly magnificent venue at the University of Western Australia and were part of a Massed Choir of 400 voices, made up of students from eleven schools. The standard of performance was exceptional. Our students loved being a part of it, and they enjoyed performing in front of an audience of around 1000 people. Congratulations to each and every choir member, you performed well and were great representatives of your school. Thank you to Mrs Gjerde and Mrs Hindley for all their efforts in preparing the choir and ensuring they gave a polished performance. Thank you to Mrs Cashion who provided extra support and supervision on the evening.

Playgroup and Pre-Kindy
Next Wednesday, 14 September, is our final Playgroup for 2016. We have had lots of toddlers visit us in the Library for Playgroup and lots of fun has been had! In week three of term four, we will commence our Pre-Kindy Programme for those children who are enrolled for Kindy 2017. This will be held in the Kindy Room. The current Kindy children will participate in their transition mornings in the Pre-Primary 2 building with Ms Mathwin.

LIBRARY NEWS
Please be reminded that as of next week, there is no borrowing of library books for the rest of the term. Please make sure that you return any library books on loan as soon as possible. We have purchased some new reading books which we would like to use as soon as possible. If you would be willing to take some books home to cover over the school holidays please see Mrs Bates in the Library on Monday or Tuesday or let the Administration staff know so that Mrs Bates can contact you. All the covering tools and paper will be supplied to you.

KINDY CLASS REPORT
The children loved participating in the Athletics Carnival last week. We had been practising our Egg and Spoon races since last term and the children showed a high level of skill and concentration. The Kindy celebrated Fathers last week with a Father’s Day breakfast on Wednesday and Friday. Thank you to all the Dads who were able to attend as your child loved having you at Kindy. A Big thanks to Mr Lasscock and Conrad, our school gardener, for coming along to help us too! We have begun our new theme of Traditional Folk Tales in conjunction with a strong focus on Number. This week we explored the Three Little Pigs and Little Red Riding Hood. We used puppets, costumes and props to become actors and act out the stories. This has helped us build our Oral Language Skills as well as consolidating our knowledge of the text.

PRE-PRIMARY REPORT
Wow! What a big couple of weeks in Pre-Primary. We would like to thank Bunnings Hardware Osborne Park for coming in to help the children make their very special Father’s Day gifts. The children had a lot of fun constructing their gifts. We recently celebrated Book Week with a trip to Osborne Library to watch the musical performance Fair Dinkum. Fair Dinkum featured a selection of the Children’s Book Council shortlisted books and engaged the students in the understanding that, interacting with books, and the product of our imagination offers limitless possibilities for expanding our horizons. Finally, thank you to all the parents for coming out and supporting our Athletics Carnival and to the students for the positive behaviour, sportsmanship and teamwork you demonstrated all day.

YEAR 1 CLASS REPORT
The Year One Class has settled in well to their lessons this week with Mrs Provan. We have been revising lots of basic facts in Maths, counting in 2’s, 5’s and 10’s, as well as tackling Place Value. Our Language lessons have also included lots of extra work, revising Nouns and Verbs, and looking for these in all our Comprehension and other reading. The Interschool Athletics Carnival teams have been chosen ~ good luck to our Bean Bag and Ball Bounce relay runners.

YEAR 2 CLASS REPORT
We are tending our garden and are very pleased with how well everything is growing. Please have a look after school. Each child has one plant that they are personally looking after. This includes measuring and noting the changes in appearance. We are hoping to have some plants producing food to sample before the end of term.

YEAR 3 CLASS REPORT
Congratulations to all of the students that competed in the Athletics Carnival last week. Special congratulations to Annabelle Wachmer for receiving the Intermediate Champion Girl runner up medallion, and to Moon Patel for receiving the Intermediate Championship Boy trophy. We have now started training for the Interschool Carnival which is to be held at Balcatta Primary School next week. In Writing, we have been looking at a wide variety of reports on Animals, Birds and even Fruits. We hope to start another animal report next week on our own. In Spelling, we have been working hard on our individual sight words, and have been focusing on Commas, in Grammar and Punctuation lessons.

YEAR 4 CLASS REPORT
Last week’s Athletics Carnival was a wonderful display of colours and courage. Everyone participated and had fun. We are looking forward to the Interschool Carnival on Tuesday and Friday next week. In Maths, we have completed decimals and fractions and have been tested on these. In Science, we have been learning about erosion, weathering and the three types of rocks. We completed an experiment last week to show how water can change the surface of rocks. We have changed our desk arrangements in class so we can learn to negotiate and communicate with class members in groups.

YEAR 5/6 CLASS REPORT
In Literacy, we have completed our Olympic studies by writing a poem on Values in Sport and writing a newspaper article titled Olympic Wrap Up. Please come and have a look at our work on display in the classroom. We are currently writing poems about ourselves that must include several figurative language devices including; Similes, Metaphors, Hyperboles, Onomatopoeias, Alliterations and Idioms. In Maths, we are looking at the connections between Fractions, Decimals and Percentages. We will then use this knowledge to solve real life problems such as creating a budget for a family.

On Monday we had our Speak Up Grand Final and would like to congratulate the following students on a job well done!
Fatema Alyaser Stem Cell Research
Grace Yapp Women in Leadership
Caesar Htat Preventing Computer Hacking
Farah Fazli Refugees Runner-up
Penny Ornket Domestic Violence Winner

P&C NEWS

Sports Carnival Sausage Sizzle and Bake Stall
Congratulations to the Sunhawks, Firewolves and staff of Osborne Primary on another fabulous day of sunshine, competition and camaraderie.
It was a very successful day at the P & C Sausage Sizzle and Bake Stall. We thank the involvement of our parents Katie (Calais - Yr2), Christa (Jayden - Yr3, Mikayla - Yr1), Uzla (Simra- Yr1, Ifra - PP), Sharon (David - Yr3, Charmaine - PP), Manpreet (Anisha – Yr1, Malisha – Yr5/6) & Meena (Arnav – Yr4) who gave a hand during the day. Everyone’s combined efforts and supports raised $750.45.
The money raised on Thursday will be used to help pay for Edu-Dance. Edu-Dance is a creative dance exercise programme and supports the Phys Ed curriculum for the PP– Yr6 students. It has many other cross curricular links.
A special mention and thank you to Amy and Rachel of Storage King in Osborne Park for bringing along and then cooking all the sausages for us all to enjoy. Storage King supplied the buns and IGA supplied the sausages. It is great to have the support of local business.
Another big thank you also goes out to our families who contributed the varied baked goods for our Bake Stall – your effort is appreciated and an important part of our fundraising events.
As always, thank you to you, our school community for your continued support in fundraising for the benefit of our children’s school experience.
Carole (Alexia & Emmy-Lou – Yr3, Tayla – PP) and Sarah (Calum – Yr1, Margie –Kindy)
