Lunch Order Menu 2022

Lunch Orders Available Wednesday & Friday

Osborne Primary School works in conjunction with the Tuart Hill Primary School Canteen to provide our students with the opportunity to order their lunch every Wednesday and Friday. Parents place and pay for their children's lunch order using the Quickcliq website, lunch orders are then prepared by the staff in the THPS Canteen and are delivered to our students by an Osborne Primary Parent volunteer.

The aim of this initiative is to provide a convenient and reliable service for parents, and the excitement of a special lunch order for students. We hope both parents and students enjoy their Lunch Order days!

Tuart Hill Primary School Canteen

The Canteen at THPS is a not for profit based business owned and operated by the P&C. Our Canteen Manager, Jodie, provides nutritious and wholesome home-made dishes in accordance with the Western Australian School Canteen Association's Traffic Light System. The WASCA Traffic Light System requires a minimum standard for public school canteen menus of **60% Green foods** (healthiest choices) and less than **40% Amber foods** (a sometimes food). Your menu has been colour coded to make the choices even easier for parents and boasts a **79% Green** menu!

If you have any queries or concerns regarding lunch orders, or if you wish to volunteer some time in the canteen preparing lunches, please contact our Canteen Manager directly.
