Schedule of Contributions & Charges 2021

Dear Parents and Caregivers

The Osborne Primary School Board has endorsed our schedule of Contributions and Charges for 2021. The schedule comprises four sections to allow us to calculate all **costs that might occur throughout the 2021 school year.**

1. School Contributions

\$60 Per student – Years K-6 (3 or more family members \$120 per annum)

These voluntary funds are used in the following areas:

Information and Computer Technology	\$35
Art & Craft consumables	\$15
Physical Education and Health Resources	<u>\$10</u>
	\$60

2. Compulsory Charges – To be paid at the beginning of Term1

Student Levy \$30 per student – Years PP-6

This Literacy and Numeracy levy ensures teachers are able to access the most suitable learning resources for your child throughout the year. This replaces the need for textbooks.

3. Charges For All Extra Cost Optional Items

The charges vary from year to year level depending on the nature and range of activities undertaken.

The estimated charges are the maximum amounts that should be anticipated. **Not all the charges will apply to your child.**

Charges only apply to activities students participate in.
