Dear Parents and Caregivers,

The Osborne Primary School Board has endorsed our schedule of Contributions and Charges for 2017. The schedule comprises four sections to allow us to calculate all costs that might occur throughout the 2017 school year. These are:

1. School Contributions
   The School Education Regulations allows the school to collect a maximum voluntary contribution of $60. The School Board has endorsed our collection of $60 per student. While contributions are voluntary, the quality of our learning programs is maximised when all families contribute.

   The money the school collects will be used in the following areas:
   - Information and Computer Technology $35
   - Art and Craft consumables $15
   - Physical Education and Health Resources $10
   - TOTAL $60

   The contribution required per student is:
   - 1 Student ~ $60.00 per annum
   - 2 Students ~ $120.00 per annum
   - 3 or more Students ~ $120.00 per annum

   These contributions will be used in the schools to support the cost of providing quality educational programs for your child. Please pay this School Contribution as soon as possible at the start of the 2017 School Year.

2. P & C Contribution
   As in previous years the P & C will be requesting a family contribution. This voluntary contribution of $25 per family will be used to help P & C projects.
   - $25 per family per annum
   Please pay this P & C Contribution as soon as possible at the start of the 2017 School Year.

3. Personal Items List
   All students have received a Personal Items List (ie: Booklist) for their year level in 2017. The charge varies for each year level. These items can be purchased from any supplier. Officemax, Unit 6/505 Scarborough Beach Road Osborne Park, offer a comprehensive and competitive service, including home delivery, and this can be accessed through the school.
Note: some personal items may need to be replaced during the year for a variety of reasons. Classroom teachers will request this at the appropriate time. Personal Items (except Kindergarten and Pre-Primary) need to be labelled.
